# U.S. EXPORT SALES

- Outstanding Export Sales  
(Unshipped Balances)  
on **July 16, 1981**
- Export Shipments in  
Current Marketing Year
- Daily Sales Reported  
**July 10-July 16, 1981**

--As Reported by Exporters

Outstanding export sales as reported by private exporters and compiled with other data in this release give a snapshot view of the current contracting scene. At any given time in the course of a marketing year outstanding sales do not bear a consistent relationship to eventual export shipments. A meaningful export projection is not obtainable by the simple device of adding outstanding sales to exports to date. The latter data, alone, may provide a more reliable measure of current export activity than may be derived from a year-to-year comparison of outstanding sales.
